Seniors, Youth & Families Community Project

Public Open House

Wednesday, October 26
1 to 3 pm & 7 to 9 pm
Mary Winspear Centre

Over the past year, community organizations and residents have shared input through surveys and discussion groups on how to strengthen recreation/culture, housing, transportation and community support to enhance living in Sidney and area.

Committees have prepared draft recommendations for these four topic areas based on community input. The public now has an opportunity to see the ideas they provided.

Project volunteers invite you to drop by the public open house to view information displays and submit comment forms on the recommendations. Feedback will be considered when completing the project report to Council in November.
